4Q 2021 AT&T *by the numbers*

AT&T

CONNECTIONS

More than $135 billion
Over the past 5 years (between 2017 to 2021), AT&T invested more than $135 billion in our wireless and wireline networks.[1]

210+
destinations where AT&T offers talk, text and data coverage.[2]

More than 99%
of Americans covered by AT&T.[3]

201.8 million
mobility subscribers and connections to our nationwide wireless network.

More than 4
On average, we receive more than 4 AT&T issued patents (U.S. and foreign) per business day.

Most reliable
AT&T has the most reliable 5G network. [9]

Parts of 44 cities and 35 venues
in the U.S where we've introduced AT&T 5G+ over mmWave frequency.

More than 51 million
connected cars on the AT&T network.

More than 19,500
public safety agencies and organizations are using FirstNet services.

More than 3 million
FirstNet connections in service.

$13.2 billion
spent with businesses owned by minorities, women, veterans, LGBTQ+ and people with disabilities in 2020.[5]

AT&T is consistently one of the top annual investors of capital in the United States.

COMMUNITY

145+ years
AT&T has been improving the way people communicate.

$314.8 million
contributed or directed through corporate-, employee-, and AT&T Foundation-giving programs in 2020.

Carbon Neutrality.
AT&T has committed to becoming carbon neutral, achieving net zero Scope 1 and 2 greenhouse gas emissions[7] by 2035.

650,000+ students & teachers
Since March 2020, AT&T has helped schools, colleges and universities to connect more than 650,000 students and teachers across 50 states with agile mobile connectivity.

More than $600 million
committed since 2008 to programs that help millions of students across all 50 states and around the world, particularly those in underserved communities.

Gigaton.
AT&T has set a goal to help businesses reduce a gigaton of greenhouse gas emissions — 1 billion metric tons — by 2035.

521,460+
hours volunteered through employee volunteer programs in 2020.[8]

More than 200,000
employees worldwide.

---

* All numbers are based on Q4 2021 results unless otherwise noted.
1 Includes U.S. and international capital investment and acquisitions of wireless spectrum.
2 International service required. Not available in all areas. Coverage may vary per country and be limited/restricted in some countries. Details: att.com/international/. Countries covered: att.com/globalcountries
3 Based on overall coverage in U.S. licensed areas. Coverage not available everywhere.
4 AT&T awarded Best 5G Network by GWS OneScore 2021. GWS conducts drive tests for AT&T and uses the data in its analysis. AT&T 5G requires compatible plan and device. 5G not available everywhere. Go to att.com/5Gforyou for details.
5 Supplier diversity spend and performance excludes content and programming spend. The management approach and data detailed reflects the activities of the AT&T Global Connections and Supply Chain organization within AT&T Communications.
7 Scope 1 emissions include direct emissions from sources owned or controlled by the company (such as the fleet). Scope 2 emissions include indirect emissions that result from the generation of purchased energy.
8 While we realized a 2020 decline in employee participation related to COVID-19 requirements for social distancing, average giving per employee donor remained at pre-pandemic levels, reflecting AT&T employees' continued commitment and generosity.
9 Based on nationwide GWS drive test data. GWS conducts paid drive tests for AT&T and uses the data in its analysis. AT&T 5G requires compatible plan and device. 5G is not available everywhere. Go to att.com/5Gforyou for details.
