

Shape a Safe, Secure, and Reliable Digital World with AT&T's First Tablet Built for Kids – The Samsung Galaxy Tab A7 Lite Kids Edition

The Samsung Galaxy Tab A7 Lite Kids Edition will be Available at AT&T Beginning Nov. 4

DALLAS, Oct. 31, 2022

What's the news? AT&T* is launching its first tablet built for kids with the [Samsung Galaxy Tab A7 Lite Kids Edition](#) on Nov. 4, in time for the holidays, and for less than \$7/mo.¹

The Samsung Galaxy Tab A7 Lite Kids Edition is a kid-friendly tablet that features an 8.7-inch display, a rugged and durable case, educational and entertainment apps and security functionality to ensure child-safety and a long-lasting battery to keep your kids entertained anywhere.

And as an added bonus, AT&T customers can get access to the Samsung Kids platform for free. Parents can easily setup Samsung Kids right out of the box and quickly access all of their preferred apps.

What about features?

- **Samsung Kids™ App:** Samsung Kids™ lets you shape a safe environment for your child to happily explore and connect with the world. With family-friendly activities to both entertain and encourage kids to learn, develop and flourish. Samsung Kids™ helps your child safely enjoy the digital realm.
- **Parental Controls:** Set limits on playtime as well as give access to specific contacts and apps. Keep up with the usage report to see what your child is doing, or make sure they're only seeing what's appropriate when using the tablet. Samsung Kids is a safe environment for your child to learn and play.
- **Endless Entertainment:** Meet the device your whole family will love: the tablet that's made to be shared. Samsung's Galaxy Tab A7 Lite Kids Edition can travel from the living room to your grandma's house for the holiday, or wherever you want to take it.
- **Display and Design:** The compact 8.7" touchscreen has kid-ready durability with a sturdy metal frame and a rugged case that's built to last. The durable case is equipped with a kickstand that rotates 360 degrees to support virtually any viewing angle for maximum entertainment. The kickstand also folds all the way up to act as a handle for easy carrying.

Who was this designed for? The Samsung Galaxy Tab A7 Lite Kids Edition was made for mindful parents of young children who want their kids to have a tablet but desire stronger options that restrict apps and internet access while providing easy access to kid friendly entertainment and educational apps. This is the perfect gift for kids!

How do I know if my child is ready for their first device? AT&T has teamed up with the [American Academy of Pediatrics](#) to create free digital resources found on [AT&T ScreenReady®](#) to help families use technology safely and responsibly. Parents can use the AAP's interactive [Family Media Plan](#) tool to help create healthy digital habits for their family.

What are people saying? "AT&T's first kids-focused tablet - Samsung's Galaxy Tab A7 Lite Kids Edition - is a high quality, affordable option for busy parents," said Jeni Bell, senior vice president of wireless product marketing, AT&T. "With set playtime limits and fun, educational apps, parents are able to create a safe environment for their children at a great price."
