

3Q 2020 AT&T *by the numbers*

connections

More than \$135 billion invested in our wireless and wireline networks over the past 5 years (2015-2019).¹ During this time, we invested more in the U.S. than any other public company.

200+ destinations where AT&T offers talk, text and data coverage.²

99% of Americans covered by AT&T.

176.7 million mobility subscribers and connections to our nationwide wireless network.

Parts of 36 cities where we've introduced a mobile 5G+ network.

Nationwide 5G. AT&T 5G is now nationwide.

#1 fastest nationwide 5G network.³

40+ million connected cars on the AT&T network.

More than 1.7 million FirstNet connections now in service.

More than 14,000 public safety agencies and organizations are using FirstNet services.

\$14.2 billion spent with businesses owned by certified minority, women, service-disabled veterans, LGBTQ+, veterans and people with disabilities in 2019.⁴

Nearly 5 patents acquired by AT&T every business day, on average.

38 million U.S. subscribers to HBO Max and HBO.

53 Emmy® Awards. WarnerMedia led the industry with **38** Primetime and **15** News and Documentary Emmys.

community

144+ years AT&T has been improving the way people communicate.

\$173.5 million contributed or directed through corporate-, employee-, and AT&T Foundation-giving programs in 2019.

234,000+ employees worldwide.

Carbon Neutrality. AT&T has committed to achieving carbon neutrality by 2035 across our entire global operations. AT&T will achieve net zero Scope 1 and 2 emissions – the yearly equivalent of 1,104,036 homes.⁵

1.4+ million hours volunteered through employee volunteer programs in 2019.

\$600 million committed through AT&T Aspire since 2008 to promote student success in school and beyond.

9,800+ schools in 9 Latin American territories impacted by ESCUELA+ in 2019.

* All numbers are based on Q3 2020 results unless otherwise noted.

1 Includes U.S. and international capital investment and acquisitions of wireless operations and spectrum.

2 International service required. Not available in all areas. Coverage may vary per country and be limited/restricted in some countries.

Details: att.com/international/. Countries covered: att.com/globalcountries

3 Fastest Nationwide 5G network based on AT&T analysis of Ookla Speedtest Intelligence data median 5G download speeds for Q3 2020 comparing only networks offering 'nationwide' 5G coverage.

4 5G Coverage analysis based on carrier's public statements.

5 Supplier diversity and sustainability spend and performance excludes content and programming spend. The management approach and data detailed reflects the activities of the AT&T Global Connections and Supply Chain organization within AT&T Communications.

5 Scope 1 emissions include direct emissions from sources owned or controlled by the company (such as the fleet). Scope 2 emissions include indirect emissions that result from the generation of purchased energy. Emission equivalent calculated by EPA Greenhouse Gas Equivalencies Calculator.
