

We invest in Dallas...

...providing jobs...

- AT&T employs nearly **8,000 people** in the city of Dallas today and over **18,200** in the DFW area
- Nearly **1,500 retirees** also live in the city

...and connectivity.

- From 2013-2015, AT&T invested more than **\$2.7 billion** in the DFW area in our wireless and wireline networks
- By mid-2017, we plan to nearly double the availability of **the AT&T Fiber network** in southern Dallas
- **Access from AT&TSM** provides low-cost wireline home internet service to qualifying Dallas households

We're actively involved in growing Dallas...

- We donated \$2.5 million in late 2012 to build the AT&T Trail in the Trinity Forest in southern Dallas
- We contributed millions to the **Boy Scouts Camp Wisdom**, to **Children's Medical Center of Dallas** and to the **United Way of Metropolitan Dallas**
- We're one of the first corporations to support the **Dallas Innovation Alliance**, and we've contributed significantly to its **smart city initiative** in the West End
- As a participant in the **Dallas 360 Plan**, we're designing AT&T Discovery District in **alignment with the initiative**

...Dallas is our home.

- AT&T and the AT&T Foundation contributed more than **\$22.9 million** from 2012-2015 in Dallas through giving projects
- Our employees sit on the board of directors of more than **60 local organizations**
- AT&T employees have devoted thousands of volunteer hours in the city, from local schools to **United Way** to the **Dallas Chamber**
- And we've proudly added our name to the **AT&T Performing Arts Center**, **AT&T Stadium** and the **AT&T Byron Nelson Golf Tournament** – all it takes is a look around to see our impact on the community
