## **AT&T Launches Ultra-Fast Internet Speeds in Westwood**

*Speeds up to 1 Gigabit per Second Available on the AT&T GigaPower Network*

KANSAS CITY, KAN., May 10, 2016 — AT&T<sup>1</sup> launched ultra-fast Internet service in parts of Westwood and surrounding communities.<sup>2</sup> Customers in area homes, apartments and small businesses will be able to get speeds up to 1 gigabit per second (Gbps).<sup>3</sup>

Ultra-fast Internet up to 1Gbps over the [AT&T GigaPower](#) network is currently available at over 25 apartment complexes in the Kansas City area.

Launch of the AT&T GigaPower network in these areas is in addition to the Kansas City-area communities where AT&T had previously made the Internet service available: parts of Fairway, Lawrence, Leawood, Lenexa, Mission Hills, Olathe, Overland Park, Prairie Village, Shawnee and surrounding Kansas communities; and parts of Belton, Blue Springs, Grain Valley, Independence, Kansas City, Lee's Summit, Raymore and surrounding Missouri communities.

Internet speeds up to 1Gbps over our 100% fiber AT&T GigaPower network are blazing fast.

- Instantly access the latest online movies, music and games.
- Connect faster to the cloud, videoconferencing and more.
- Download 25 songs in 1 second, a TV show in 3 seconds or your favorite HD movie in less than 36 seconds.<sup>4</sup>

"We are pleased to offer residents of Westwood the same ultra-fast Internet speeds and industry-leading video and voice services that we're bringing to other parts of the Kansas City area," said Mike Scott, president of AT&T Kansas. "Thanks to the smart, pro-investment policies of our elected officials, AT&T continues to invest billions of dollars in wired and wireless high-speed Internet networks here and across the country."

"Our families and our local businesses increasingly depend on high-speed Internet access," said state Rep. Melissa Rooker. "I appreciate AT&T's commitment to expand access in Westwood and Northeast Johnson County. This level of service offers a valuable tool that will help Northeast Johnson County grow and thrive."

### **AT&T GigaPower**

AT&T GigaPower offers Internet speeds up to 1Gbps for as low as \$70 a month.<sup>5</sup>

AT&T GigaPower customers gain access to the latest Wi-Fi technology. They can enjoy our best in-home Wi-Fi experience, faster Wi-Fi speeds, expanded coverage and support for all of their devices.

Customers can also choose between our [award-winning DIRECTV](#) or U-verse TV services. We have single, double and triple play offers to fit each customer's needs.

The service is available to over 1.6 million locations across 21 of the nation's largest metro areas. We have plans to expand our ultra-fast Internet service in parts of 35 more areas – at least 56 metros in total.

Ultimately, we plan to reach more than 14 million residential and commercial locations with fiber.

AT&T has served the Kansas City area for 135 years and employs nearly 12,000 people in Kansas and Missouri.

<sup>1</sup> AT&T products and services are provided or offered by subsidiaries and affiliates of AT&T Inc. under the AT&T brand name and not by AT&T Inc.

<sup>2</sup> Initial availability limited to select areas. May not be available in your area. Go to [att.com/gigapower](http://att.com/gigapower) to see if you qualify.

<sup>3</sup> Internet speed claims represent maximum network service capability speeds. Actual customer speeds may vary and are not guaranteed. Actual speeds vary based on factors including site traffic, content provider server capacity, internal network management factors, device capabilities and use of other U-verse services. For more information, go to: [www.att.com/speed101](http://www.att.com/speed101).

<sup>4</sup> Speed/Time examples are estimates.

<sup>5</sup> AT&T GigaPower Premier offer is available with agreement from customer to participate in AT&T Internet Preferences. AT&T may use Web browsing information, like the search terms entered and the Web pages visited, to provide customers with relevant offers and ads tailored to their interests. Taxes, additional fees and restrictions may apply. Pricing subject to change. Different offers and prices may apply for small businesses.
