

## AT&T Welcomes the Samsung Galaxy Tab A7 Lite to its Tablet Portfolio

*Beginning June 19, Get the Latest Tablet for 50% Off at AT&T*

**What's the news?** The new Samsung Galaxy Tab A7 Lite (LTE) is making its debut at AT&T, in plenty of time before back to school. The Galaxy Tab A7 Lite is your carry-along companion for on-the-go content and gaming at an affordable price.

Head [here](#) to learn more about the Galaxy Tab A7 Lite and secure your own by placing your pre-order starting June 19 at 12am ET. Then, get ready to watch it in action when it becomes available in stores on July 16.

**Is there an offer?** Yes! And our best deals are better than ever:

- **Samsung Galaxy Tab A7 Lite:** For a limited time, get 50% off the Samsung Galaxy Tab A7 Lite when you sign up for a monthly installment payment plan at 0% APR and activate a new line.<sup>1</sup> That's full value at HALF the price!

AT&T even makes it easy for you to add the Samsung Galaxy Tab A7 Lite to one of our [current Unlimited plans](#) for an additional \$20 a month.<sup>2</sup> With unlimited data at such a low price, you can stream, game and browse from your new Galaxy Tab A7 Lite, wherever and whenever you want.

**Who needs it?** AT&T is excited to welcome the Galaxy Tab A7 Lite to the tablet portfolio. This tablet is for anyone looking to stay connected on AT&T – at an affordable price. To kick it off, this model features an 8.7-inch display with ultra-slim bezels, making it ideal for streaming your favorite movies on HBO Max<sup>3</sup> right from your back patio or even on the way to the beach. With its long-lasting battery, you can do more, watch more, and play more practically anywhere with AT&T LTE.

Even with downloaded movies, countless apps, homework documents, or a lengthy collection of music, there's no shortage of storage on this device because customers can add more with a microSD™ card for up to 1TB of storage (sold separately).

Its sturdy metal frame gives advanced durability and at AT&T we know our customers deserve additional protection with their device. With [AT&T ActiveArmor](#),<sup>SM</sup> our wireless customers get 24/7 network security that alerts you to suspected spam risks. In addition, free security apps like the AT&T Mobile Security app allow you to enable device security and receive data breach alerts and tips.<sup>4</sup>

The device will be FirstNet Ready™, which means first responders can use it to tap into the power of [FirstNet](#)® - America's public safety communications network. It's bringing this

community specialized features and capabilities – like always-on priority and, for first responders, preemption – that they’ve never had before.<sup>5</sup>

“Our deals for both new and existing customers are changing the industry. When you get the Samsung Galaxy Tab A7 Lite on an unlimited plan at AT&T, you can be sure you are getting a great deal on a plan with unmatched features, all in time for back to school,” said Jeff Howard, vice president, Mobile Device Portfolio, AT&T. “There’s no better time than now to experience all that the Galaxy Tab A7 Lite has to offer on AT&T.”

At AT&T we know our customers have busy lives, especially with the kids out of school and summertime activities ramping up. If you want the latest device but don’t have time to make it to a store, don’t sweat it! Where available, [AT&T Right To You](#), an exclusive delivery and expert set up service, lets customers choose when and where they want to receive their device, as soon as same day. You can also choose to shop online, with free express shipping and returns.
