DALLAS, Dec. 1, 2021

**What's the news?** AT&T\* will offer the Samsung Galaxy A13 5G<sup>1</sup>, the newest member of the A series devices, online beginning Dec. 3.

This stylish, efficient 5G capable Samsung smartphone is so affordable that you can add it as a stocking stuffer for the ones you love most!

**Who Is This Device For?** Anyone looking for a 5G capable smartphone that offers maximum value, great performance and durability for an affordable price of \$6.95/mo. on a qualifying installment plan

**Features You Love.** Enjoy the best a device can offer – great battery life, storage capabilities, high quality display and an amazing camera:

- **AT&T 5G:** Our fast, reliable and secure [5G network](#) is available nationwide. You can download, stream, and share with fast 5G speeds at home or on the go.
- **Triple-lens Rear Camera System:** Capture special memories with friends and family more clearly with high-resolution photos.
- **Fast-Charging<sup>3</sup> Battery:** Not the best at keeping your phone charged? Don't fret. Stay connected, stream, and share content easily throughout the day with a long-lasting, fast-charging battery.
- **Big Screen with Big Views:** Watch your favorite movies, videos, and games with a better view on the 6.5-inch, edge-to-edge display.

**Safety at your fingertips with FirstNet:** The Samsung Galaxy A13 5G comes FirstNet Ready™, which means first responders can use it to tap into specialized capabilities designed to meet their needs on FirstNet® – America's public safety communications network. First responders maintain voice communications with *always-on* priority and preemption on LTE, while the intuitive FirstNet network determines the best route for data traffic with compatible devices, whether that's 5G or LTE spectrum.<sup>4</sup>
