**Is there an offer?** Of course, there is! We're continuing to bring our best deals to everyone with the latest 5G smartphone:

- **moto g stylus 5G:** For a limited time, new and existing customers can get the device for as low as \$5/mo. on a qualifying installment payment plan with an eligible AT&T unlimited plan<sup>2</sup>.

**Who is it for?** The moto g stylus 5G is for the movers, shakers, doers, and creators. It's for anyone looking to stay connected in style on the AT&T 5G network at a great price. We know affordability matters and that's why you can get the newest 5G Motorola device for \$5 a month at AT&T- it's just that simple.

**Stylus? Oh yeah:** Expressing your noteworthy ideas has never been easier than with the moto g stylus 5G's pinpoint precision control and intuitive writing and sketching features.

**Fast Processor:** The speedy Qualcomm Snapdragon 480 octa-core processor makes virtually every move seamless and quick and AT&T 5G helps make sharing those data-rich files fast and more effortless than ever before.

**Picturesque:** Capture the moment from every perspective with its 48<sup>3</sup> MP quad rear camera and share those high-quality pictures fast using AT&T 5G.

Stunning selfies and doodles aside, you also have the ability to sit back, relax and enjoy the latest binge-worthy show in crystal clear quality on the brilliant 6.8-inch screen with FHD+ Max Vision technology. Minimal borders make an already incredible viewing experience that much better.

**Battery Life:** If that wasn't enough, the powerful 5,000 mAh fast charging battery keeps you streaming longer, ensuring your entertainment every step of the way.

**5G Powered:** Upon arrival, the moto g stylus 5G can tap into the power of our nationwide 5G network.<sup>4</sup> Access to this next-level network is easier than ever, as it comes included in all of our current business and consumer unlimited wireless plans at no additional cost to you.<sup>5</sup> This

addition is part of AT&T's commitment to expand our 5G device portfolio as we continue to enhance and improve our already fast, reliable and secure AT&T 5G.

**Speed?** Check. **Reliability?** Check. **Affordability?** Check. And customers can continue checking even more important features off their must-have list, including security because we know how much security matters especially when it comes to your device.

Because your security is a top priority: Nobody likes getting those annoying robocalls, and you shouldn't have to second guess if you've clicked on a malicious site. [AT&T ActiveArmor<sup>SM</sup>](#) brings all our security capabilities together to help stop threats before they get to you. This includes built-in 24/7 essential network security and additional benefits when you download the free AT&T Call Protect and Mobile Security apps. If you upgrade to Unlimited Elite<sup>®</sup> or Unlimited Extra<sup>SM</sup> you get ActiveArmor<sup>SM</sup> advanced security for no extra charge like Identity Monitoring, Safe Browsing, and Public Wi-Fi Protection. <sup>6</sup>

FirstNet Ready: The moto g stylus 5G also comes FirstNet Ready<sup>™</sup>, which means first responders can use it to tap into the power of [FirstNet<sup>®</sup>](#) - America's public safety communications network. It's bringing this community specialized features and capabilities – like always-on priority and, for first responders, preemption – that they've never had before.<sup>7</sup>

“The moto g stylus 5G coming to AT&T and Cricket provides customers an excellent opportunity to get the most out of our fast, reliable and secure 5G at a great value,” said David Christopher, executive vice president and general manager, AT&T Mobility. “There's no better time to grab a new device powered by AT&T 5G to fuel your creativity, organization and connectivity needs.”
